parkerconradc@gmail.com

SUMMARY

Motivated Computer Software Development student experience in C#, SQL Server, Python, Java, and web technologies including JavaScript, HTML5, and CSS. Skilled in leveraging cloud platforms (AWS, Azure), SQL databases, and Agile practices to develop and support web-based, data-driven applications. Experienced with Git/GitHub version control, testing frameworks, and collaborative workflows. Eager to apply technical knowledge in .NET development, APIs, and modern front-end frameworks while contributing to an Agile team environment at Sandhills Global.

EDUCATION AND CERTIFICATIONS

Indian Hills Community College, Ottumwa, IA • Computer Software Development *May, 2027*

Bellevue West Senior High School • High School Diploma *May, 2025*

HARD SKILLS
